Gentlemen:

Water Contract Modification re Withdrawal of "Southwesterly
Atlantic Annexation No. 1" from Consolidated County Fire
Protection District - City of Monterey Park (1)

On August 14, 1961 the City Council of the City of Monterey Park approved Resolution No. 6549 withdrawing the area contained in the above subject annexation from the Consolidated County Fire Protection District. It is necessary at this time to modify water contracts in effect within the territory annexed. The District is responsible for water service until June 30, 1962.

Modification of Agreement No. 403-K with the California Water Service Company is necessary to relieve the Consolidated County Fire Protection District of the responsibility for monthly hydrant rental after June 30, 1962, at the following location:

Hydrant No. 53

Northeast corner of Atlantic and Zaring Streets

The amendment should require the water company to submit to the County a separate billing for payment in advance to June 30, 1962.

IT IS THEREFORE RECOMMENDED:

That your Board approve the above contract modification, instruct the County Counsel to prepare a new agreement and the Chairman to sign the agreement.

Very truly yours,

City Annexes Business Area

MONTEREY PARK—Annexation of a block-long business area on Atlantic Ave. has given this city an additional \$250,000 in assessed valuation.

The annexation, south of Atlantic Square, includes six businesses.

The block extends from Collegian St. on the west to an alley just east of Atlantic, and from Atlantic Square on the north to 1st St. on the south.

City Manager Cliff Petrie said development of unimproved property in this annexation would be of "substantial benefit" to Monterey Park.

"Most important," added Petrie, "this extends our city boundary to a point on Atlantic where there will be an interchange to the Pomona Freeway."

Dear Mrs. Alstrom:

Re: Proposed "Annexation lying

Southerly of Riggin Street
(Second Revision)" to the
City of Monterey Park

At the meeting held on September 28, 1960, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer, W. J. Lockman, with his letter of September 8, 1960, of the proposed annexation of territory to the City of Monterey Park.

The boundaries as submitted do not create islands or corridors of unincorporated territory and conform with record lines. This annexation overlaps the proposed "Annexation Southerly of Riggin Street and Westerly of Gerhart Avenue (Revised)" to the City of Monterey Park, as approved by the Commission on March 2, 1960.

The Boundary Commission approved the boundaries as submitted as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code. A copy of the approved legal description and a list of special districts involved are enclosed for your use.
